## Invitation – Industry Stakeholder Consultation

### Proposed Regulations for Residential Water Heaters under the BC *Energy Efficiency Act*

The Ministry of Energy, Mines and Petroleum Resources is proposing amendments to the Energy Efficiency Standards Regulation under the Provincial *Energy Efficiency Act* with respect to electric and gas-fired residential water heaters. The goal of the proposed regulation is to support the BC Energy Plan and Provincial commitments to promoting energy efficiency and greenhouse gas emission reduction.

*You are invited to participate in an Industry Stakeholder Consultation session on Residential Water Heating on Friday, November 28, 2008, from 9am to 12pm PST, at Central Park Place (BC Hydro's Power Smart office), 4555 Kingsway, Burnaby BC, Multi-Purpose Room on the 9<sup>th</sup> floor.*

*Please RSVP to Katherine.Muncaster@gov.bc.ca or to 250-952-0154 by Friday November 21, and indicate if you will be attending in person, or by teleconference.*

Confirmed participants will receive an agenda, a summary of the proposed regulation, and call-in information in advance of the meeting date.

Please contact Katherine Muncaster at 250-952-0154 if you require further information.
