## Companions' Tour of Manoir Papineau & Parc Omega

Manoir Papineau

**Manoir Papineau**, located adjacent to the Chateau Montebello is an historical home built by the renowned Louis Joseph Papineau, leader of the reformist Patriote movement prior to the Lower Canada Rebellion of 1837–1838. This manor home is rich in history and commemorates both him, as well as his social ambitions, tastes and personality.

**Parc Omega** is a wild animal habitat covering 1500 acres of land. From the comfort of a tour coach you will be able to view a number of wild animals native to the region, including moose, black bears, white tail deer, wolves, bison and red tail deer. Don't miss this one-in-a-lifetime tour opportunity at ABC!

Parc Omega

## ABC 2012 Optional Tours

### White Water Rafting Experience on the Rouge River

**Sunday, June 24th, 9:00 am - 1:00 pm**

Maximum adventure and thrills will abound on your whitewater rafting excursion on the Rouge River. In your boat, a certified and highly trained guide will manoeuvre the group safely and comfortably down the river ensuring tons of fun along the way. Once you have conquered the river, you will be met by a riverboat that will take you back to the base camp. (Wet suits are available for rent!)

### Hands-on Culinary Experience - Cooking Class at the Chateau Montebello

**Monday, June 25th, 12:30 pm - 3:00 pm**

Join the Chateau Montebello's professional chefs to create a delectable culinary experience! Participants at this event will be briefed by the Chateau's cooking team, and be divided into teams; each team will work under the guidance of the Chef and Sous Chef to create one of the dishes in the three course menu, and then will sit down together to eat the meal when cooking is complete! For anyone who loves to try out new recipes and is up to the challenge of a creative, hands-on kitchen adventure, this activity is for you!

### Land Rover Experience Montebello - Geo Cache Scavenger Hunt Race

**Monday, June 25th, 12:30 pm - 3:30 pm**

Work as a group in the Geo Cache Land Rover Race. This event will provide basic navigation, GPS and compass training before groups will set out and work over a wide area of terrain that will include multiple challenges, and collection of hidden items to win the scavenger hunt race.
