“Thank you to all CIPH members who participated in the CIPH HFH Week (September 21-27, 2008). We have been very successful at building our relationship with the local HFH affiliates across Canada as well as raising not just funds but awareness of CIPH’s partnership with Habitat for Humanity—together we are making a difference for Canadian families in need of affordable housing” states Chairman Adrien Pilon (Emco).

Our members believe in the hand up, not a hand out approach of Habitat and are proud to help build homes with low-income partner families. CIPH has sponsored home builds in Niagara Falls, ON; Moncton, NB; Winnipeg, MB; Charlottetown, PEI; Montreal, QC; and plans are underway for our sixth home build in Regina, SK in 2009.
