

BENEFITS OF MEMBERSHIP IN CIPH

ASSOCIATE MEMBER: TECHNICAL INSTITUTE

The intent is to provide a membership category for all Canadian technical institutes who have programs that pertain to the plumbing and hydronic heating industry.

1. The opportunity to regularly network with the Executives of the more than 250 Canadian companies that hold membership in CIPH.
2. To become an active member of the industry through participation in the nine CIPH Regions (BC, Calgary, Edmonton, Saskatchewan, Manitoba, Ontario, Quebec, Atlantic, and Newfoundland). Membership allows you to vote at Region meetings and to represent your school's views.
3. CIPH, through the Plumbing Industry Advisory Council promotes uniformity in Canadian Plumbing Codes, regulations and standards. The Canadian Advisory Council on Plumbing (CACP) includes Chief Plumbing Inspectors from across Canada, CSA International, NSF International, Underwriters' Laboratories Inc., Underwriters' Laboratories of Canada, Bureau de Normalisation due Québec (BNQ), Intertek, International Association of Plumbing & Mechanical Officials (IAPMO), Health Canada, Environment Canada, and the National Research Council (NRC). Your company's participation and support will ensure that the industry has a strong voice in Canadian codes and standards.
4. CIPH trade shows = Cost Effective Marketing. CIPH member-owned trade shows - MÉCANEX/CLIMATEX/ÉLECTRICITÉ/ÉCLAIRAGE: Montreal, CIPHEX West: Calgary, CMX•CIPHEX: Toronto, MEET: Moncton, and the CIPHEX Roadshows generate business leads. Over 35,000 industry personnel and customers attend CIPH shows.
5. Keep abreast of what's happening in the industry through Pipeline, Pipeline OnLine, Region newsletters and regular CIPH letters and e-mails to key executives. The CIPH web site "What's New" gives you the key information affecting the industry.
6. You will be invited to attend the Annual Business Conference as a member and will be listed as a delegate by your school's name.
7. Your school will have the unique opportunity to tap into an entire industry looking to provide new employment opportunities for students interested in the plumbing and heating industry through CIPH's co-operative student employment initiative "Creating our Future", as well as internship and graduate student placement opportunities.
8. CIPH makes it easy to keep in touch with your customers, suppliers, and industry colleagues. Each CIPH member has a listing of their school, key executives, branches and locations in the OnLine Member Directory, the "Who's Who" of the industry. Your school will receive access codes to the directory every year - a valuable tool for keeping in touch with customers and industry colleagues. The directory which can be accessed from the CIPH web site (www.ciph.com) includes addresses, telephone, fax, web sites and e-mail addresses.

APPLICATION FOR MEMBERSHIP

CANADIAN-BASED ASSOCIATE MEMBER: TECHNICAL INSTITUTE

The Undersigned hereby applies for membership in the Canadian Institute of Plumbing & Heating/L'Institut canadien de Plomberie et de Chauffage and, if accepted, agrees to comply with all the provisions of the By-Laws of the Institute. We agree to pay annual dues in accordance with the schedule approved by the Board of Directors of the Institute.

- Please return our application to CIPH with a dues cheque.
- A dues calculation form is provided.
- Dues are payable each May 1st.
- The Institute's fiscal year is May 1st to April 30th.

ARTICLE 11.04 - MEMBERSHIP

Section v. Associate Members (Non-voting) - Technical Institute

v) Associate: Technical Institute (non-voting)

Any person being a Canadian Technical Institute shall be eligible as an Associate Member non-voting providing an important portion of his business is derived from the technical training and support of the Canadian plumbing and hydronic heating industry. Such member shall NOT be engaged in the installation of or sale to consumers of, plumbing and heating products.

The CIPH Board of Directors will review your application for approval at the next Board Meeting.
