September 24<sup>th</sup> – 27<sup>th</sup>, 2008 we will introduce the world to the wonder and diversity of Calgary, Alberta, Canada as the host city of the 8<sup>th</sup> international **WORLD PLUMBING CONFERENCE**.

At the foothills of Canada’s majestic Rocky Mountains, Calgary enjoys a wealth of cultural attractions as a leading cosmopolitan city of over one million people. A city complete with breathtaking outdoor adventure and pristine wilderness side by side with over 6,000 restaurants, unique cultural district and trendy night spots.

The **WORLD PLUMBING COUNCIL** is proud of its mission to unite the world plumbing industry in an effort to safeguard and protect the environment for the health of all nations, and the benefit of the world.

As professionals, we must be prepared to embrace change and innovation where water conservation and energy management are concerned. The **WORLD PLUMBING CONFERENCE** will provide a venue to share information regarding research projects and technology that are applicable to the entire plumbing industry and the people they serve.

The **2008 WORLD PLUMBING CONFERENCE** will include extensive business and trade programs combined with social and recreational events. The conference will also serve as the national conference of the Mechanical Contractors Association of Canada. We look forward to seeing old friends and meeting new ones in breathtaking Calgary, Alberta, Canada.
