CIPHEX Roadshow adds Edmonton to its newest 5 City Tour in 2009!

Toronto, Ontario, November 7, 2008....On behalf of the Board of Directors and the CIPH Regions, CIPH is pleased to announce next year's stops for the exciting one-day, "table-top" tradeshow across Canada. They will start in Winnipeg, followed by Regina, Saskatoon, our newest tour city, Edmonton and finishing in Vancouver!

"CIPH Edmonton Region is pleased to have Edmonton added to the Roadshow tour. The Region is aware that the CIPHEX Roadshow will provide exhibitors an excellent cost-effective way to deliver their message to contractors, engineers, designers, specifiers and wholesalers", reports Darren Jacobs (Barclay Sales Ltd.), President CIPH Edmonton Region.

CIPHEX Roadshows are for those involved in plumbing, hydronics (hot water) heating, ventilation, air conditioning and refrigeration equipment, controls and instrumentation, pumps, water treatment systems, valves and fittings, tools, kitchen and bath fixtures and other related industries.

At each stop, companies will meet, greet and connect with hundreds of visitors. Free workshops will be offered that will provide practical solutions to technical, sales and design challenges.

2009 CIPHEX Roadshow Dates and Locations:

The Canadian Institute of Plumbing & Heating is a not for profit trade association. Founded in 1933, the Institute is a vibrant organization committed to providing members with the tools for success in today's competitive environment. More than 250 companies are members of this influential Canadian industry association. They are the manufacturers, wholesaler distributors, master distributors, manufacturers' agents and allied companies who manufacture and distribute plumbing, hydronic heating, industrial, waterworks and other mechanical products. CIPH wholesalers operate more than 600 warehouses and showrooms across Canada. CIPH members employ more than 10,000 Canadians and are an integral part of the Canadian economy. Total industry sales exceed \$4.6 billion annually.
