With exhibit space almost sold out, the 2009 Roadshow is a great opportunity to see new products and learn about new technologies. If you're from Manitoba, Saskatchewan, Alberta or British Columbia – or will be in town during a Roadshow, register now.

*"CIPHEX Roadshows are an effective way for Viessmann to showcase our products and services in important areas of the country not served by our larger trade shows. Our Sales Representatives report they like the format and attendance at these shows and that they provide excellent sales opportunities"* - Ken Webster, Director, Sales & Marketing, Viessmann Manufacturing Company Inc.

#### **Who will you meet on the road?**

Contractors, wholesaler staff, engineers and technologists, municipal buyers and officials, building management and maintenance staff, and more. Our attendees are serious professionals, looking for new ideas, new products and the great networking that the Roadshow offers. **75% of visitors say they plan to purchase new products within the next six months**

The Roadshow provides unbeatable value for visitors: each location includes free registration, a free seminar, free parking and free food & beverage. Plus there are more prizes than ever - Five \$200 Future Shop Gift Cards will be awarded to visitors at each Roadshow.

**Register before October 1<sup>st</sup> and qualify to win a \$200 Future Shop Gift Card.**
