

CIPHEX Roadshow

Next week, the Canadian Institute of Plumbing & Heating launches the CIPHEX Roadshow with five stops, across Western Canada. The 2009 Roadshow kicks off in Winnipeg on October 22nd, then travels to Saskatoon on October 27th, Regina on October 29th, Edmonton on November 3rd, with the final stop in Vancouver on November 5th.

The Western Canada Roadshow attracts those involved in the sale of plumbing, heating, hydronic (hot water) heating, solar heating, ventilation, air conditioning and refrigeration equipment, electrical equipment, fire prevention, natural gas equipment, water treatment systems, tools, and kitchen and bath fixtures. “The popular mini trade format has proved to be a success for exhibitors and visitors alike”, said Elizabeth McCullough, General Manager - Trade Shows with The Canadian Institute of Plumbing & Heating. “In a tough economy The CIPHEX Roadshow provides a cost-effective and time-efficient way for contractors, wholesalers, government representatives, engineers, technicians and other industry professionals to meet with manufacturers and learn about new products and technologies”.
