A networking luncheon and education forum featuring two speakers for professionals in the PVF Sector

The Industrial Distribution Leadership Certification Program, developed by Mohawk College in collaboration with several Industry Champions including CIPH, is an intensive leadership series (in-class and on-line) designed for individuals in the industrial distribution and manufacturing sectors seeking to deepen leadership skills to make an even-greater professional contribution. *There is no other course like this being offered anywhere.*

Speaker #1: **Richard Ayuen** is VP Central Region with Kinacor and has over 30 years experience in the Industrial Distribution channel as well as in the Manufacturing, Construction and Logistics sectors. Attend the IPVF luncheon and Richard will tap you into an award-winning program specifically designed to meet the needs of our industry, your business, and your people.

Infrastructure Ontario manages delivery of major infrastructure projects using a model called Alternative Financing and Procurement (AFP). In the last three years more than 30 AFP projects have been brought to market worth an estimated \$7.5 billion, with more than half under construction. Infrastructure Ontario expects to issue a Project RFP every 6-8 weeks over the next few years, presenting both opportunities and challenges for everyone.

Speaker #2: **Derrick Toigo** is VP of Project Delivery with Infrastructure Ontario and has over 20 years of experience in engineering as a Project Management Professional. Derrick will deliver an timely update on programs currently under development and upcoming through Infrastructure Ontario. With a steady supply of projects continuing to be tendered, this is a session you won't want to miss!
