Exhibit space being booked faster than ever as MCEE returns to Montreal next spring, announced Show Committee Chair **Frédéric Perrin** (Usines Giant Factories Inc.). The show is Canada's largest plumbing, heating, electrical and lighting trade show and the only major industry event in Eastern Canada in 2011.

Produced by the Corporation of Master Pipe Mechanics of Quebec ([CMMTQ](#)), the Canadian Institute of Plumbing & Heating ([CIPH](#)), Corporation of Master Electricians of Quebec ([CMEQ](#)), and the Corporation des entreprises en traitement de l'air et du froid ([CETAF](#)). Together, the four associations represent 90% of the region's plumbing, HVACR and electrical (MRO) contractors and wholesaler distributors. IES Montreal (Illuminating Engineering Society) and EFC (Electro Federation Québec) also support MCEE 2011.

More than 300 exhibitors from across Canada and the United States will display a wide range of products in plumbing, heating, hydronics (modern hot water heating), ventilation, electrical, lighting, air conditioning and refrigeration equipment, electrical equipment, water treatment systems, tools, alarm systems, kitchen and bath fixtures, fire prevention; pipes, valves & fittings and software.
