70% of space sold in MCEE 2011

April 20-21, 2011, Place Bonaventure, Montreal, Quebec

Show Committee Chair **Frédéric Perrin** (Usines Giant Factories Inc.) and CIPH Show Committee members **Raymond Beauchemin** (Groupe Miburco Plomberie Chauffage Inc.) and **Sylvain Fournier** (Moen Inc.) announce that MCEE returns to Montreal for two great days on April 20 and 21 at Place Bonaventure in downtown Montreal. The show is Canada's largest plumbing, heating, electrical and lighting trade show and the only major industry event in Eastern Canada in 2011.

More than 300 exhibitors from across Canada and the United States will display a wide range of products in plumbing, heating, hydronics (modern hot water heating), ventilation, electrical, lighting, air conditioning and refrigeration equipment, electrical equipment, water treatment systems, tools, alarm systems, kitchen and bath fixtures, fire prevention, pipes, valves & fittings and software.

Produced by the Corporation of Master Pipe Mechanics of Quebec ([CMMTQ](#)), the Canadian Institute of Plumbing & Heating ([CIPH](#)), Corporation of Master Electricians of Quebec ([CMEQ](#)), and the Corporation des entreprises en traitement de l'air et du froid ([CETAF](#)). Together, the four associations represent 90% of the region's plumbing, HVACR and electrical (MRO) contractors and wholesaler distributors. IES Montreal (Illuminating Engineering Society) and EFC (Electro Federation Québec) also support MCEE 2011.
