

## News Release

### **Register for Mécanex/Climatex 2005 - The largest Mechanical Trade Show in Eastern Canada**

**Montreal, Quebec, January 17, 2005...** More than 4,500 industry delegates are expected to attend Mécanex/Climatex 2005 when the trade show takes place at the Montreal Convention Centre in Montreal on March 23<sup>rd</sup> and 24<sup>th</sup>. The event attracts those involved in the sale of plumbing, heating, hydronics, air conditioning, refrigeration, piping, tools & equipment, ventilation, fittings, fire prevention, kitchen & bath, controls & instrumentation. They come from across eastern Canada and the north eastern United States to see all that's new from the industry, meet, do business and so much more all under one roof!

***Mécanex/Climatex 2005***  
*Montreal Convention Centre, Montreal, Quebec*  
*March 23<sup>rd</sup> and 24<sup>th</sup>*  
*Wednesday, March 23 11 am to 8 pm*  
*Thursday, March 24 11 am to 5 pm*  
[WWW.MECANEXCLIMATEX.CA](http://WWW.MECANEXCLIMATEX.CA)

*Mécanex/Climatex 2005* is opened to industry members by free pre-registration prior to the show or on site for \$15.

#### **See everything that's new!**

Hundreds of new products throughout the exhibit hall. Visit the New Product Showcase to see the most innovative products available in North America. Stay informed about the latest technologies and designs that can improve performance, simplify installation and repairs and increase your sales. It's easy to see all that is new; look for the New Product sign throughout the show.

#### **Demonstrations**

Test your skills and get "hands-on" experience at demonstrations taking place throughout the show.

#### **Workshops & seminars- "Ultimate training and information centre!"**

Stay informed about the latest developments in codes and standards that affect your business.

Admission to all Mécanex/Climatex workshops and seminars, presented by industry experts is free for show visitors. Please note that all seminars will be presented in French. A complete list of seminars is available online at [www.mecanexclimatex.ca](http://www.mecanexclimatex.ca)

#### **Mécanex/Climatex 2005 Pump Challenge - Sponsored by the Canadian Hydronics Council.**

Designed to test mechanical contractors' nerve and skill. The aim of this contest, which is a feature event at Mécanex/Climatex 2005, is to see who can remove and replace a working

circulating pump in record time without springing a leak. Great prizes and \$1,500 in cash prizes will be given away.

**Register today and save \$15** by visiting our website [WWW.MECANEXCLIMATEX.CA](http://WWW.MECANEXCLIMATEX.CA). Learn more about breaking news and details about the show, list of exhibitors, seminars, contests and promotions.

Mécanex/Climatex combines the resources and influence of three powerful industry associations producing Eastern Canada's most influential and largest Mechanical Trade Show.
